

REGISTRATION

- Pre-Registration is required
 - Deadline to register: June 30, 2022 • All entrants must be 13 years or older.
 - Certificate of Insurance Waivers are required for all participants in order to participate. If the participant is between 13-17 years old, a parent or legal guardian must sign the waiver. Waivers may be completed in advance or completed the day of the event at the inspection site.
 - Registration Forms and Waivers are available on Carlisle Summerfair's Facebook page, at www.CarlisleSummerfair.org or request by email at chollenbaug@comcast.net
 - Forms should be emailed to Connie at chollenbaug@comcast.net or mailed to Connie Hollenbaugh, 3059 Spring Rd., Carlisle, Pa 17013 (must be received by June 30, 2022).

RACE INFORMATION

- Each vehicle must have a name clearly visible during the race. ➤ Helmets (with a chin strap) must be worn ➤ All riders must wear CLOSED TOE SHOES.
- The race will be held rain or shine (unless there is inclement weather).
- Participants should arrive at the inspection site between **3:00-3:30pm**. An event official will inspect all vehicles to verify they meet the stated requirements.
- Heats will begin at 5pm. Entrants will be randomly placed in heats.
- Vehicles that do not make it to the finish line will not necessarily be disqualified – cars distance will be marked and if no vehicles in the heat cross the finish line – the car that has made it the furthest will advance. Riders may do anything but put body parts on the ground to cross the finish line – example: pushing from inside the car, dancing, waving arms, etc. – but you may not Fred Flintstone your vehicle to the finish.
- Each vehicle must clean-up after themselves while waiting for their heat and also if the vehicle loses parts on the way down the hill.
- Winner of each heat will advance.

VEHICLE REQUIREMENTS

- All vehicles must be homemade. NO engines or batteries of any kind.
- Two persons per vehicle – each vehicle may have up to 2 pushers – once the vehicle passes the start line, no feet on the ground (or other parts of the body).
- Entrants may not go head-first down the runway – body must be at least 1 ½ feet behind the nose of the vehicle
- All vehicles must have an operating braking system – whatever manner is used may not damage the roadway in any way.
- All vehicles must have capability of being steered.
- Vehicles may not have any sheet metal that has not been folded over – no exposed edges.
- Vehicles must have 4 wheels (of some type) – no limit on size.
- Vehicle may be any size or shape and may be decorated – no political decorations.
 - Note: occupants may not use feet or hands to help pilot the vehicle – vehicle should be built so floor does not allow feet to touch the ground.

PRIZES

- Prizes will be awarded immediately following the final heat & awarded to the following categories:
 - Overall winner
 - Runner-up
 - Most patriotic
 - Most creative
 - Most enthusiastic
