

Our board of directors is made up entirely of volunteers from throughout the greater Carlisle area. Some represent businesses, while others serve as community volunteers. Our goal is to offer free or low cost, family-friendly events around the 4th of July holiday for the Carlisle area. We want our region's families to be able to relax and enjoy activities close to home. With the generous support of many of our great business sponsors, we are able to put on many events each year over a week+ period of time. There's something for everyone!
